Dear Loris

Re: 2013 UDIA Awards for Excellence

Congratulations on the success of the 'The Rowlands Apartments' project at our Awards for Excellence Gala Dinner on Friday night!

The UDIA Awards for Excellence honour the achievements of our state's finest developers and supporting professionals. They formally recognise and promote industry, innovation, leadership and the development of communities in South Australia.

This year we were delighted by the calibre and volume of entries submitted.

The UDIA Awards for Excellence are a vital contributor to constantly improving industry standards and I sincerely thank you for taking the time to submit entries. The independent panel of judges awarded entries with either an Award or Commendation.

I acknowledge 'The Rowlands Apartments' project for contributing to the success of the 2013 Awards for Excellence and congratulate you on the calibre of this innovative project.

Our office will be in touch shortly to provide information for your entry into the National Awards which will be announced in Brisbane in March 2014.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Terry Walsh', is positioned above the printed name.

Terry Walsh
Executive Director
